<b>LARRY P. LANGFORD</b>	)	

**LARRY P. LANGFORD’S**

**SUPPLEMENT TO MOTION FOR BAIL PENDING APPEAL**

Comes now the defendant Larry P. Langford, and supplements his motion for bail pending appeal as follows:

The defendant will also argue on appeal that impeaching information regarding the witness Danforah should have been admitted. The benefits connected to him were a large part of the total benefits, and the defendant contended that he did not receive as much as the witness indicated, making the witness’s credibility an important factor in the case.

Again, the cumulative error doctrine applies to all the arguments to be raised on appeal.

Respectfully submitted,
